

# AHD AHD Series™

## Product Enhancement Arrow Alignment System

Amphenol Sine Systems' AHD Series™ connectors have been enhanced to include the new **Arrow Alignment System** to provide 100% visual verification that the connectors are fully and properly mated. Users will now have two types of feedback to ensure the connector is mated properly; the current audible and tactile "click" of the coupling ring locking in place and now visual alignment of the arrows.

**Applications:** Heavy Duty, Transportation, Diagnostic, Military, Fire & Rescue, Agriculture
